

CLASS	DESCRIPTIONS
<b>After Care (Kevutzot and Gan)</b>	Learn, Create, Play! An engaging class fostering creativity, camaraderie and supportive learning. Expert instructors guide students through puzzles, coloring, reading and other age-appropriate activities. Enjoy fun-filled activities like board games and art to unwind and nurture well-rounded development. Join us for an enriching learning journey where trying new things and supportive creativity go hand-in-hand.
<b>Science (Gan)</b>	Science comes alive for your children in our interactive class! Through hands-on activities and fun experiments, we introduce students to the world of science. We nurture their curiosity across captivating subjects like biology, chemistry, physics, engineering, and more! They'll gain confidence in understanding science and develop essential social skills by sharing their discoveries. Some fun experiments will include Volcanoes and Lava Lamps. Our mission is to build a strong foundation for future scientific learning.
<b>Science (Kevutzot)</b>	Discover the enchanting world of scientific exploration in our exceptional Science class! With a focus on gentle note-taking, we nurture our students' curiosity across captivating subjects like biology, chemistry, physics, engineering, and more! Join us in our pursuit to ignite a lifelong passion for science, empowering your young ones to confidently apply their knowledge and embrace the wonders of the natural world. Together, let's unlock their boundless potential as they joyfully embrace scientific discovery!
<b>Kicks Run Club (Kevutzot)</b>	Kennebec Kicks Run Club is much more than just running, it's a celebration! Being part of the "Kicks" will make your child physically, mentally and emotionally stronger and happier! When a child becomes a Kicks runner, they become part of a family and immediately feel like they belong. With varied focuses on endurance, speed and power, and consistent practice location changes, your little runner is sure to improve throughout the season and have a blast every week! Kicks coaches are the most fun-loving, run-loving coaches around. Being avid runners themselves, they run alongside their teams and are dedicated to sharing their passion and love for running. Each practice is an adventure!
<b>Imaginative Dance (Gan)</b>	This Theatrical Dance Improvisation class is an introduction to performing arts and is designed to help students learn to creatively self-express through dance and theater. In this class students will explore the varied ways to use the whole body through floor-work, movements across the floor, character development, learning how to listen to music, and move the body freely. Exercises, such as partner improv, fun games, singing, use of creative props, and fun costumes will be performed. A great program for developing leadership skills, enhanced self-confidence, and cultivation of creativity. This is a bilingual program (Hebrew/ English). **Taught by teaching artist Shlomit Oren.
<b>Dance Discoveries: Around the World (Kevutzot)</b>	In this upbeat bilingual (Hebrew/English) program, students explore dances from diverse parts of the world. Some of the styles visited and learned throughout the year are Israeli folk dance, African dance, Hula dance, Russian ballet, American hip hop, Broadway Jazz dance, circus hula hooping, Latin salsa, Colombian cumbia, Greek Zorba and more. Students will learn fun and easy to follow choreographies. This class emphasizes learning performance skills, creativity, and developing self-confidence. Shlomit Oren, a multicultural performance artist and expressive arts therapist brings her travels and explorations of cultural diversity to this brand new class!

<b>Sports Discovery (Kevutzot)</b>	Looking for a fun and engaging way to explore different sports and develop your skills? Look no further than Amazing Athletes Sports Discovery! This class is perfect for kids who want to discover their inner athlete and fall in love with sports. With the opportunity to explore multiple different sports over the course of a season, you'll have plenty of chances to learn new skills and perfect your technique. Plus, with a game-like environment that encourages confidence and teamwork, you'll be sure to have a blast while you play! So what are you waiting for? Sign up for Amazing Athletes Sports Discovery today and see what you can achieve!
<b>Musical Theater (Kevutzot)</b>	Students learn a variety of abridged musical theater songs and collaborate with their teacher to create simple choreography using selections from Broadway, Disney, and other sources to develop an appreciation of the genre. With an emphasis on song interpretation, physical expression, and musicality, this class is incredibly fun!
<b>Soccer Stars (Kevutzot and Gan)</b>	If you're looking for a fun, educational way to learn the fundamentals of soccer, Soccer Stars is the perfect program for you! We focus on teaching essential skills such as passing, dribbling, and shooting in a non-competitive environment that promotes positive reinforcement and confidence building. Each child is given the attention and support they need to improve at their own pace. Whether you're a beginner or have some experience, Soccer Stars is a great way to hone your skills and have fun at the same time. Don't delay - find out why this is the world's most beloved sport!
<b>Visual Arts (Kevutzot)</b>	Discover the world of art in this dynamic class! Unleash creativity while enhancing hand-eye coordination and discipline in the arts. From pencils to watercolors, clay to pen, students will explore genres like abstract, realism and more. Working on different projects every week, your students will always have something new and beautiful to bring home.
<b>Crafty Creators (Gan)</b>	This class allows children to explore the world through their senses. In our Arts & Crafts classes, children will discover new textures, shapes and colors that allow them to express themselves. They will be able to create Art by using different mediums and techniques. While having fun, they will also develop motor skills such as hand-eye coordination, grasp and muscle movements that will help them grow in their everyday life.
<b>Little Rookies Baseball (Gan)</b>	Our baseball program is the perfect way to learn new skills and have fun at the same time! We focus on building self-confidence and teamwork in a non-competitive environment. Our expert coaches teach the proper techniques for throwing, catching, hitting, fielding, and base running. If your child has ever wanted to try a new sport, Little Rookies is the ultimate opportunity to see their skills and confidence improve!
<b>Nature (Kevutzot)</b>	Dive into nature with this fun interactive outside class! After quick walks to nearby parks and outdoor spaces, students will explore the open-air and create fun interactive projects! Spend sunny days studying plants and trees, creating nature bracelets, going on scavenger hunts, and more! Spend those rainy afternoons creating nature booklettes and discussing your favorite types of plants and which things are safe to eat and which are not! Have fun exploring the great outdoors in Nature class!
<b>Private Piano Courses (Kevutzot)</b>	Unlock the full spectrum of your child's potential with our expertly synchronized 'Piano Lessons: A Melodic Journey.' Embracing the ethos of seamless learning, our program harmoniously integrates with your child's other enrichment classes. By enrolling in our captivating piano lessons alongside other activities, your child will experience a symphony of growth, cultivating both musical talent and a well-rounded education. Witness the transformation as they effortlessly balance their passion for piano with an array of diverse pursuits, creating a harmonious tapestry of achievement and inspiration! These piano sessions are 30-minute private lessons, where students are concurrently enrolled in another enrichment or after care class at a discounted rate. *Please note, registration is taken on a first-come, first-serve basis.
